Rory

Rory is my dog. It's small, cute and friendly. It's brown and white. She has long, curly ears and big brow eyes. Rory is very playful. Her favourite toy is her little green ball. She loves to play with it, because she can take it in her mouth and run. Once, when I took her on a walk Rory saw a few boys who were playing with a football ball. She ran to them and tried to play with them, but she couldn't, because the ball was bigger than her.

She always comes to me when I'm having lunch or dinner. Then she looks at me very pitifully. And when I give her food, she looks at me and waits for me to start eating. When I watch TV, Rory sits to me and watches TV, too.

She is my best friend! Rory is the best dog ever!
